FARMVILLE.

Farmville is no one horse town, nor fenced in town, nor dead town, but it has long been in the habit and still is, of carrying too many eggs in one basket. The tobacco basket The "bewitching weed" has stood and won us as no other investment has. Of course it has been our friend and it would have been ungrateful not to have returned the affection Still we might have done that and long since been a manufacturing centre. The wators of the Appomattox could have been made to turn many wheels instead of one, and its banks should have been alive with industries, and the music of the spindle have harmonized with the murmur of the waters. And, then, I am of decided opinion that investment like charity should begin at home, and if necessary end there.

Recently some of our progressive young men have invested $20 000 in the line of the Tidewater R. R. and I hope their venture will be a brilliant success. The object, as I understand it, is to build a new town, and my one regret is that the new town was'nt built on to the old town and given a new thrill of life here. That amount of money judiciously put to work here might have been the nucleus of an enterprise that might have eventually employed hundreds of laborers and that would have meant the doubling of our present population, and while Farmville has grown immensely in business it has not very much in population. Some man of capital should build a number of residences here, not too large nor yet too small. They are in demand and ought to yield good interest on the investment.

Every nook and corner will be filled during the Normal session and even during the summer there are few vacancies, the place having quite a reputation of a summer resort. Our lithia water is responsible for much of this. When a person once gets accustomed to drinking it he gives it up as reluctantly as a toper does his dram. Hig spring, as you no doubt know, is over in Cumberland and the water is delivered from house to house each morning.

The community has lost another good citizen in the death of R. F. H Twelvetrees. He came here about the time the late Mr. Chas. Bugg did and survived him by only a few days. He was a most accomplished builder and did most of the work on the Normal school buildings.

Such is the demand for houses in town that Mrs. Emily Venable has rented her home and the two flats adjoining and has taken two rooms at Mrs. Wade's. Mr. Howell Richardson with his family will move in from the country and occupy a portion of his father's home on High Street.

Prof. and Mrs. Mattoon will spend the summer in New York where he will prosecute studies bearing on his work in the Normal

Miss Cora Price, of Woman's College, Columbia, S. C., will spend the summer at Mrs. W. R Berkley's.

Rev. Mr. Graborn, a retired missionary from China, will preach at College church for two months during the summer, and will occupy the home of Prof. Whiting, and it is a remarkable coincidence that this is the home in which his wife lived before her marriage.

Our German fellow citizens, who have recently come to make their homes with us are catching on to "diversified farming," and are daily bringing into market household comforts and conveniences.

Our local Normal graduates of the recent commencement, are busy answering letters from different sections of the State with reference to work for the coming school year, and some of them are of the most flattering character.

Mrs. Thos. Clarke returned from Asheville nothing improved in health.

Mr. G. H. Morris, who has been ill for some time, is said to be improving.

Miss Frankie McKinney has been visiting friends in Norfolk and taking in the Exposition.

Mrs. Judge H. W. Flournoy, who expected to spend the summer in Farmville, has changed her plans, and will go to Canada to stay some months and will be here in the fall.

Most of our people will go to the Exposition before the gates close. Those who have been were pleased with it.

Our three banks don't seem to be crowding each other. There is room for each of them, and I hope money enough for everyone who can put up the collateral. They ought to be enough money to supply legitimate demands and if there isn't enough the Government ought to go to work and make enough. It is folly to say there is too much already in circulation. But for the note, check and draft there would be a perpetual money panic anyhow. And but for "watered stock" millionaires would shrink up and shrivel away.

A little touch of summer is making all of us wondrous warm.

Tetter Cured.

A lady customer of ours had suffered with tetter for two or three years. It got so bad on her hands that she could not attend to her household duties. One box of Chamberlain's Salve cured her. Chamberlain's medicines give splendid satisfaction in this community. M. H. RODNEY & Co., Almond, Ala.

Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but $1.25.

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing kidney, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's **Swamp-Root** is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

OLD BUCKINGHAM.

THE GRAND OLD COUNTY PHOTOGRAPHED.

Many Interesting Reports Made of Her People.

Announcement.

To the Voters of Buckingham:
After being requested by many of our Democratic friends in Buckingham County, we now announce ourselves as the Independent candidates for the office of Sheriff of Buckingham county. We appreciate the kindness of our Republican friends in endorsing our candidacy and they have our thanks, but we want it distinctly understood that we are Independent candidates for this office and have been all the time, and have been endorsed by our Republican friends. Knowing the duties of the office we feel that we can manage the affairs of the office with due credit to ourselves. Thanking you for your consideration expressed heretofore and bespeaking your further consideration, we are. Yours faithfully.

For the Senate.

To the Voters of the Thirteenth Senatorial District, (Appomattox, Buckingham, Fluvanna and Charlotte.)
I respectfully announce myself a candidate for the State Senate, subject to your approval at the Democratic primary, pledging myself to the faithful discharge of the duties of the office if elected, and a watchful eye to the wishes and interest of our District.
Your obedient servant,
T. W. SCOTT.

Announcement.

To the Democrats of Lynchburg and Campbell County:
I am a candidate for the State Senate, subject to the primary to be held July 11th, and respectfully solicit your support.
This is Lynchburg's time to have the State Senator. The executive committee of both county and city have officially so declared and all loyal Democrats should abide by the decision of the party authorities. My opponent said at Rustburg, "I do not know whether I am a Democrat or not." He is seeking a Democratic nomination. Can he consistently do so while doubtful of his own Democracy? I do know that I am a Democrat and as such I ask the votes of all Democrats who appreciate party loyalty and party service.
DON P. HALSEY.

Announcement.

I am a candidate for the position of Treasurer of Buckingham county at the election of Nov. 5th, 1907. If elected, there will be associated with me in the conduct of the office Mr. A. C. Garnett, Jr., who is well known to the people of the county. Together we solicit your support.
A. SIDNEY SPENCER.

Buckingham.

This will be mailed the 1st day of July and wheat harvest is not yet ended. I hear of some crops having smut in them, but as a rule I think the grain is good, and winter oats are fine if we can get the weather in which to save them. Some crops of tobacco are growing off nicely while some of the best planters are just now planting.

Mr. F. H. McCulloch, of Howardsville, died in Lynchburg on the 21st (Friday). He leaves a widow and two children, Dr. Charles McCulloch, of Howardsville, and Mrs. Dr. Morrison, of Lynchburg.

Mrs. George Hinderlite and family are staying at the home of her parents, Mr. and Mrs. L. C. Moseley.

Mrs. Wingfield Brown, of Montana, is visiting friends and relatives in Buckingham and Nelson. She was Miss Sallie Lewis before marriage.

Miss Hallie Haskins, one of the teachers in the High School of Houston, Texas, is attending the School of Methods at Charlottesville, and after the session closes will spend some weeks at her old home here.

Mr. Charles Ellis, of Columbia, S. C., has been staying at Afton his old home.

Mr. O. W. Moseley has been on a visit to friends and relatives in Buckingham.

Twenty-six more days and we are to know which will represent Buckingham and Cumberland, Ha.l or Moss. When we think of voting we decide which of two such men it shall be and then think of the dark days of Republican ascendency, when we voted for and tried to elect such men as these and sometimes had instead a Frank Moss, a Shed. Dungee, or a Sam Bolling, elected over our head. We are simply glad to know that it does not matter much whether Moss or Hall, Scott or White, are chosen, either two of the four will do.

I hear that in the coming campaign the claim will be made that a County Treasurer should be here at his office six days in the week, and that the Republicans claim that if their man is elected an office deputy will be here to attend to the business. Mr. Anderson no doubt will be equal to the occasion, and if need be have an office deputy here.

The coming Legislature will have to change the pay for men serving as juror, judges of election, witnesses, &c., as a man cannot afford to stop his work and attend to the duties required at $1.00 a day, common day laborers get that now, and their board, while a man attending a court and eating 3 meals and feeding a horse would be brought in debt.

There are so many cases that are taken up in Circuit Court that could be as well tried by a Justice. The powers of Magistrates should be enlarged and they should get such pay as would justify a man of good standing in accepting the office. We have a man for Justice here, who is well fitted for the business, and if he had charge of some cases that find their way to the Circuit Court, we think both time and money could be saved.

Bolling

It is seldom that we feel so sad at the death of a child as we do over little Mabel Jamerson, who passed away June 26th, aged 13 months and 23 days, of cholera infantum. Every thing that could be done for her by parents, physicians and friends was done. Though her stay here was brief she had done much to cheer and brighten the home, now so desolate. Being the only girl she was the idol of the household, so bright and attractive and precious in a marked degree. The deepest sympathies of the whole community go out to the sorrowing parents in this dark hour of grief. Farewell little Mable, 'till Jesus comes to make up His jewels. We shall meet you in Heaven where there is no parting.

(From the Charlotte Gazette, May 23, 1907.)

Chase City, Va., May 20th, '07.

Editor of Gazette:—Thos. W. Scott has announced himself a candidate for nomination of Senator from the 18th Senatorial district of Virginia.

Of the original companies that went from Charlotte in the early days of '61, I am the only living Captain. Scott when a mere boy enlisted in my company at Wyllieburg. He was a faithful and gallant soldier; his wounds testify to this fact, and since the war a true man and citizen in all the relations of life.

I watched his course when he served in the Senate, and he was alive and vigilant in representing the people of his district. His votes speak, and purpose were for their best interests.

I trust my old comrades will give him their cordial support. He is deserving it and will show that their confidence and honor will not be misplaced.

INTERESTING STORIES ABOUT HOME FOLKS.

Our Correspondents relate the News of the County.

Southside.

July 1st and much of the wheat still standing. We are sure the oldest inhabitant never saw a later harvest, and other things late accordingly. We have always cut wheat the week following the 2nd Sunday in June, and always had dewberry pie then, but if they are ripe yet we have not seen them. Crops generally are looking well, but are needing work badly. The same old cry, "scarcity of labor," but the farmers make out somehow.

THE TIMES is up to the top notch of late, so full of interesting letters that we feel better acquainted with people in general.

The reports of the Exposition are just fine and cause one to wish to go if but for a day. We imagine if some of those old colonists could come to life and compare the James town of to-day with the one of those old-old days, they would exclaim, "Behold what hath man by Divine help wrought."

We so much enjoyed the description of the Virginia Building given us by a lady friend. It was easy to see that it was the feature par excellence for her. By the way, are not we as a people just a little bit selfish in our love and admiration for our own dear Virginia. Well if we are, it is a trait handed down from generation to generation and impossible to be eradicated.

There was preaching at Forest on the 4th Sunday. Rev. Chocklette has resigned the care of the Church. His people were sorry to give him up.

Mrs. Alice Woolridge died at her home here the 27th of June, and is buried in the old family graveyard near her home. She was the wife of Mr. Robert Woolridge, Jr., and leaves one little girl. She had been a sufferer for a long while, and all that loving attention and the best medical skill could do was powerless to stay the hand of the destroyer, who had marked her for his prey. She had been a member of Liberty since her early girlhood, and was faithful to the end. A good dutiful daughter, a devoted wife and mother, a kind neighbor and friend. She will be much missed. A few weeks before her death she said, "I would like to live to raise the baby (her pet name for her little girl) and the way is a straight and narrow, but I hope I am prepared for whatever comes, and the Lord's will be done."

Mr. George Coleman had a valuable horse stung almost to death by bees last Thursday. She is indeed a most pitable looking. Mrs. Coleman and Miss Bernice Cole were trying to get her loose from the buggy and were badly stung.

We are sorry to learn of the illness of Mrs. O. S. Cawthorn and Mr. Willie Harvey.

We extend our sympathy to Mrs. Addie Williams in her loneliness and sorrow. Mr. L. A. Williams' place will be hard to fill in this church and in the community.

The lightening rod man was around in full force last week. We understand that he placed rods for quite a number of our farmers.

Mr. and Mrs. Paul Warren, of Beatrice, were guests at Mountain View recently.
